## INTRODUCTION

---

With one year of dedicated experience in web development and practical skills honed through double internship engagements in laravel and nodejs, I bring a strong foundation in Node.js and a passion for developing dynamic web applications. My journey as a developer has been characterized by active engagement in projects and a commitment to staying abreast of industry trends. Proficient in Node.js, Nest.js and eager to contribute to dynamic environments, I am poised to leverage my skills and enthusiasm to drive impactful solutions in the field of software development.

## SKILLS

---

**Programming Skills/Run time:** Javascript, Node JS, Java, PHP, C

**Frameworks/Library:** Nest.js, Express, React JS, TailwindCSS

**Database:** Postgresql, MySql, MongoDB

**Tools:** Prisma, Mongoose, Postman, Restful API, Swagger, Git

**Soft Skills:** Communication, Teamwork, Adaptability, Time Management
